

ENVOPAP LTD ENVIRONMENTAL POLICY STATEMENT

envoPAP Ltd are fully committed to creating minimum impact the environment. We recognise and accept our responsibility to manage and minimise the environmental impacts of our activities, products and services.

We have developed an environmental plan, and our aims within that plan are:

ENVOPAP LTD IS COMMITTED TO

- To reduce the environmental impact of our activities holistically.
- To comply and abide by relevant legislation, regulation and other requirements relating to our industry and environmental impacts.
- To minimise our inputs of utilities and resources.
- To abide by the principles of sustainable development when conducting administrative, commercial and social activities, by the procurement of materials from local sustainable sources.
- To define and communicate these environmental responsibilities at all levels within the organisation through appropriate training.
- To ensure that suppliers and contractors have a good understanding of our policy and assist them in developing appropriate systems with a responsible approach to environmental issues.
- To regularly communicate, co-operate and respond to the views of interested parties, including customers and the general public on environmental issues
- To strive to continually improve in overall environmental performance.
